PLANTING SEEDS OF INTEREST: CDC PONT-VIAU HIGHLIGHTS TRADES FOR YOUNG LEARNERS

CDC Pont-Viau was delighted to participate in career weeks at Pinewood Elementary and Twin Oaks Elementary this April. Our teachers shared their expertise and demonstrated the practical aspects of their work. We trust these visits sowed seeds of curiosity among the students.

HEALTHY COOKING FUN AT CDC PONT-VIAU!

On May 15th, students at CDC Pont-Viau enjoyed a deliciously fun and educational experience, thanks to Group Promo Santé! They participated in a free cooking class where they learned how to prepare healthy, plant-based protein snacks. It was a tasty way to promote wellness and healthy eating habits—yum!

PROMOTING MENTAL HEALTH AWARENESS AT CDC VIMONT

From May 6 to 9, students at CDC Vimont came together to prioritize mental health & wellbeing. Our students were treated to a week of activities to promote awareness and self-care. We held a self-defence workshop, a nature walk as well as pet therapy to help reduce stress. Kiosks highlighting the various services available to students from organizations within the community were also available. The activities were welcomed by all!

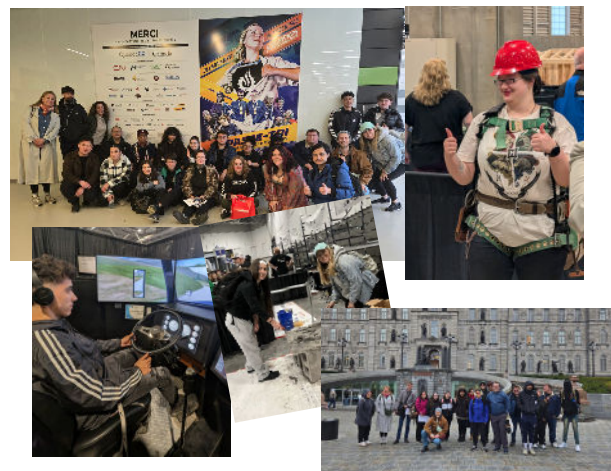

STUDENT TESTIMONIAL-AE

CDC Vimont was an amazing place to complete my high school diploma. I was wonderfully surprised by how many unique and awesome people I was able to meet. Despite having individualized courses, I often had the opportunity to work with fellow students. I want to thank the superb staff, who were always so kind and helpful, and the amazing teachers who always made me feel heard, no matter my problems. If you're ready & willing to learn, don't hesitate to go to CDC Vimont! **Peter Marais - High School student**

Mon expérience au CDC Vimont a été très positive. Le personnel enseignant sont toujours disponibles pour aider et encourager les élèves. J'ai beaucoup appris dans un environnement calme et respectueux. Les cours sont bien organisés et adaptés à mes besoins. J'ai aussi rencontré des personnes formidables! Merci à toute l'équipe du CDC Vimont pour son soutien et sa gentillesse. Grâce à vous, j'ai repris confiance en moi et j'ai beaucoup progressé. **Oscar Patricio Mora Magallanes - Étudiant en francisation niveau 6**

OLYMPIADES DES MÉTIERS IN QUÉBEC CITY

In May, several lucky students from CDC Vimont attended the 17th annual Olympiades des métiers trade show and competition in Québec City! This was a wonderful opportunity for them to learn about various specialized trades through hands-on learning. They also had a chance to see students from across the province compete in various technical challenges. What an exciting way to discover a new passion!
